“ *As a young working mother Judy was an inspiration! I admired her determination as a shop steward to make the working place better for all. I respected the way she juggled her work and home life. Judy knew how to stand out- with her bright red hair she had a personality just as bright. I had the pleasure of working directly with Judy on a daily bases and would not trade those days for anything. If she made such a mark on my life in the short period of time I knew her I can't begin to imagine the mark she made on her family's. My deepest sympathy goes out to all that had the pleasure of knowing her. She will be greatly missed.*

“ The family gatherings when anywhere from 1 to the 19 Borrell, Leva, Clark children would fill the house with laughter and joy. May all the Family members remember the Happy times and cherish the pictures and memories. Judy was full of life, loved her children (family), and enjoyed the many celebrations throughout her life. Judy is now at Peace. God Bless all of you.
