“ *What a beautiful spirit on this earth. From our conversations she loved her family deeply. Always being a Mom first. Her children including the grand--should be proud to have had such a loving person in their life. May all of you take her words and really walk her talk. She was a fun spirited person. Only wanting the best for all. To my dear friend Kelly I would have never made it though my days after losing our son Joe. I will always be here for you. Your Mom loved you and your brother and their children so so much. May God wrap his loving arms around you and give you the loving strength you need right now. A friend on this earth and always, Caroline*

“ *I graduated from Kenrick with Judy. Our bus trips to high school were always very entertaining with Judy on the bus. She helped make the trip to Norristown tolerable. My condolences to her family.*
