“ I often think about the first time I met your Mother, Michelle. She had come to our house because she and my Mother were the homeroom mothers for one of the boys' classes at Royersford Elementary School. I must have been in junior high at the time and just remember how much I enjoyed her straightforward attitude. Little did I know that I would get to know her and enjoy her much, much more later in life!  
Although she will more sorely missed, I know you have many wonderful memories that can help to ease the pain.  
Love and prayers to you and your whole family.
