“ *I cannot list "a" memory because Momma Mac gave me a lifetime of special memories. She was my "Extra" Mom who loved me more than I deserved. The magical summers in the tents at Ocean Grove were the unrivaled highlights of my youth... and the MacDade clan was a big part of the reason why. Momma Mac was such a blessing to me; I shudder to think where my life might have gone without her influence. And, to top it all off, she blessed me with five extra siblings.*
