

Justine L. Selfinger

March 16, 1972 - February 14, 2021

Justine L. Selfinger, age 48, of Mont Clare, Pennsylvania, passed away peacefully on Sunday, February 14, 2021 in the Phoenixville Hospital surrounded by her loving family. Born on March 16, 1972 in Phoenixville, Pennsylvania, she was a daughter of the late Dennis J. Selfinger and daughter of Marsha Selfinger.

Justine worked for many years at Flemings Food Markets and would later go on to start her career with the Graterford Prison where she would work for over 15 years. Justine was also involved in her community and was also a dedicated member for the Parkside UCC Church of Phoenixville for many years. She was also an avid Philadelphia Eagles fan and would rarely miss a game. But most of all Justine cherished the time that she was able to spend with her family and would do so whenever she had the opportunity, she enjoyed spending time with her loving niece Savannah and enjoyed taking her dancing and swimming. In her spare time she enjoyed baking for her family and friends. Justine was a loving daughter, sister, aunt, and dear friend to all who had the pleasure of knowing her and she will be missed by many.

In addition to her loving mother, Justine is survived by her brother, DJ Selfinger; One uncle, David (Maureen) Paul; Her loving niece, Savannah Selfinger; And many loving cousins and extended family.

Justine was preceded in death by her father, Dennis J. Selfinger.

A memorial service for Justine will be held privately at the convenience of the family at the Parkside United Church of Christ, 505 Main Street, Phoenixville, Pennsylvania. Officiating will be Rev. Dr. F. Russell Mitman. In lieu of flowers, memorial contributions may be made to the Savannah Selfinger Education Memorial Fund at the Phoenixville Federal Bank. “ *It hurt so much when I received the news of Justine and her passing. There are so many things that I can say about this unselfish woman but she didn't like to be in the limelight so I will say that she was smarter than most people knew and very compassionate about people and their needs. She sacrificed her time and talent on her job by coming in very early and working thru her lunch every day without compensation. If you didn't know how to do something, she was the 'GO TO' person. I will miss her and our discussions about what we were doing about lunch. I will never forget Justine and the impact that had in my life.*

“*Marsha, Dj, Savvy and family, I'm not even sure what to say. Dee Dee will always be a huge part of my life. No one has ever touched my heart and my son's heart as much as she did and still does. We have many many memories that I will cherish and hold deep with in my heart for the rest of my life. She would do anything for anybody no matter what. Never ever blinked an eye, she just did it. One of my favorite memories of my dearest friend would be going to target in the spring time with her, Savvy and Andrew we would sit outside of target and she made up this song. "Sittin in the sun, sittin in the sun at target in the spring" it was so funny. She had a way of making anyone laugh or a way of just making up a silly song. I will remember that always every time the sun shines. I wish i could write more about my bestest friend but it would be a book. In the time ive known her there where just that many memories of her. I will forever miss her and always always love her!! You will forever be in our hearts!! Popsi mumsy Andrew and I will keep your spirit alive through everything we do. Keep watching over us. "It's been a long day my friend and I'll tell you all about it when I see you again." Till then rest easy in the hands of our lord. Fly high!! RIP Dee Dee!!! I will always be here for your family.*

“*Justine was a loving, caring, gentle, giving, funny, strong, beautiful inside and outside woman. One of her many gifts was her smile and her kindness to everyone she knew making them feel special. She loved her family and was a blessing to each one. She loved and enjoyed her time with Savannah. Each of you will always have another Angel watching over you. She will be missed and always in our hearts. Till we meet again.*

“ I remember babysitting Justine when she was an infant. She was one of the purest souls I have ever had the privilege of knowing. She was ALWAYS thinking of others before herself. She ALWAYS put the needs and wants of others before her own. Her memory and smile will continue to brighten our hearts. - Jonece

I got to know Justine and Savannah when I was organist at Parkside UCC. She was always so pleasant and an inspiration to be with. At the time I retired from Parkside she and Savannah gave me an ornament which I will always treasure. RIP Justine.

“ We grew up with Justine and family down the street. She was an amazing person. She overcame a lot of challenges in her life. She was a strong woman with the greatest smile. Rest gently Justine. A light has gone from this earth only to shine brighter where you are next needed. Peace and healing to the family.

“ My sincere condolences to Justine's family. We have so many wonderful memories with her - my kids loved nothing more than being with Dee Dee and Savannah - parties, swimming, Legoland. Any time a special holiday or event was approaching, Dee Dee helped Savannah bake and share treats with friends. She was loving, giving, and a tremendous amount of fun. I will miss her dearly.

“ She would give the shirt off her back to anyone. I grew up swimming with her and eating soup with her dad. I am so glad my daughter got to spend so much time with her. Just like I did. She will never be forgotten and her love lives through Savannah and Chloe. Who she always called HER GIRLS. We love you DeeDee and will keep all the traditions alive.

“ Justine will always be known as a selfless and caring woman. Even when she was having a rough time she always had the attitude that “It will be ok.” I had the honor to work with her and hear all the wonderful stories about Savannah. Savannah was her world! We got to watch her grow as Justine always showed us pictures. She was a devoted worker and always put others first before herself. She will be truly missed and never forgotten.

“ I worked with Justine for the past 13 years. She was definitely one of the sweetest and caring individuals you could meet. Justine would leave us little gifts of chocolates, candies, etc... on our desks on holidays. It would put a smile on your face when you'd find it. Justine was also a hard worker and good at her job. She will certainly be missed! ❤️

“ Justine was the life of any event. I remember many happy days watching her do cartwheels in the yard and swimming in the pool. She always seemed to spread joy and love wherever she went. I feel privileged to have known her. She will be missed by many. I am so sorry for your loss.
