“ I know Im very late...I spent this christmas eve looking up long lost friends and sadly came across this. Karen and I attended FIT together. We met on the train..She traveled from Philly And I from Princeton Jct, NJ. We stayed friends our entire time at FIT, graduated together, and kept in touch for years after. Even though we lost touch, Ive thought of her and our many adventures many times. Her mom worked for a PR firm and got the two of us press passes for many events. The best one being meeting Wayne Gretzky at get an award from Sergrums 7. Sadly, during a move all the photos of that time in my life were lost or I would include one. (I think that my son doubts his old mother ever came in contact with Wayne Gretzky..lololl will never forget her laugh..all the crazy adventures we went on from our NYC adventures...to dancing in the streets at the Louie Louie Parade in Philly..Karen was up for any adventure! Her whole family was wonderful. Karen's Mom would pack Her a lunch and snack for school. After spending the weekend with her family and joking how jelouse I was, Mrs. Martina started Sending Karen with a lunch for me. It was usually Salami and mustard sandwiches along with fruit and always dessert! That was a very special time in my life and Karen and her family was a HUGE part of it.

I am so sorry for your loss. She was probably one person I am sorry I lost touch with. She was very very special.....

Sincerly

“ Kevin, Colin, and Caden, we are praying for you and send the deepest sympathies. I first met Karen as a chaperone for the 1st grade trip to Longwood Gardens and we had such a fun time talking on that long, loud bus ride home. She was always cheerful and so loved Colin and Caden. I could just tell by how she talked about you boys. Please let us know how to support you. xoxo Elaine Zolley-Heron

“ Karen showed us all how life should be lived with love, grace, strength, flair, adventure. Karen was smart & elegant in any situation. I had the honor of being her friend for 40 years... from our days at Our Lady of Fatima to adults. We laughed and laughed. After a conversation with Karen you would always feel like a million bucks. She had a gift of bringing people together with her charisma and delicious food! There hasn't been a day that's gone by that I haven't thought of a great "Karen moment".
I will miss my first and best friend. Above all else I can say, her true passion was her beautiful family... She had such profound love for her Colin, Caden and Kevin.
God bless you Karen and the Coleman and Martina families.

“ Karen was full of energy, love, friendship and perseverance. She has forever shaped my view on life and how to make events and people feel extra special. Without her, I never would've run three marathons and multiple triathlons - when all we wanted to do was one bike ride. Through those excursions, we got to explore Vancouver, Whistler, New Orleans, Chicago and of course Steamtown! She was always up for a new adventure!! You will be missed here by so many, but I'm sure your light will be shining upon us. Love and miss you, rest in peace.

“ *Having Karen in my life was nothing but special. Her smile, laugh and overall positive attitude towards life was contagious. We enjoyed several adventures - Sea Isle, Key West, Annapolis, etc. . She's the only person I know who could step off a plane after a long journey and be ready to roll. One of my favorites memories involved her mom when we took the day and went Christmas shopping at our respective company store - mom with estee, me at Campbells and Karen at Tiffany. In the words of the Beatles, Karen, "in my life I love you more". Rest In Peace my friend and keep watch over us.*

Karen and I are 1st cousins but we never knew it. We were Sisters and that is the way it always was meant to be. She can be described as kind, loving, gentle, generous, compassionate, caring, helpful, funloving women with a great sense of humor, classy and beautiful on the inside and outside, athletic, intelligent, professional, great wife and mother. Her Smile was so warm and happy, it came from deep down in her heart. It was hard to forget. Throughout her long, courageous battle that she fought so hard yet so gracefully, she never ever complained, never felt sorry for herself but only tried to comfort us all with her BIG SMILE and reassurance that everything was going to be okay. The cancer may have taken her away from us physically but it will NEVER take away the beautiful GIFTS OF LIFE that she gave to all of us. I love you LITTLE SISTER, I was so blessed to have you in my life...I will miss you everyday but never forget you...

I had the joy and pleasure of working with Karen for many years at Tiffany and Company, and she was simply one of the best people I have ever met. I will miss her beautiful smile, infectious laugh and wonderful sense of humor. She always spoke of her family and her boys, and we shared stories about my son and hers. She was more than a co-worker and I am better because I knew her.

It breaks my heart to find out that we lost Karen back in 2017. She was a friend of mine when we worked together at Marshalls from 1985-1987. She was such a sweetheart and kind, ALWAYS smiling, always laughing, always encouraging. Those were tough years for me and she was a ray of sunshine. I am broken-hearted now that life went on and we both fell out of touch. How sad. Love you Karen. -Steve Drain
