“ *Time Will Ease The Hurt - Author Unknown*

*The sadness of the present days
is locked and set in time,
and moving to the future
is a slow and painful climb.*

*But all the feelings that are now
so vivid and so real
can't hold their fresh intensity
as time begins to heal.*

*No wound so deep will ever go
entirely away
yet every hurt becomes
a little less from day to day.*

*Nothing can erase the painful
imprints on your mind
but there are softer memories
that time will let you find.*

*Though your heart won't let the sadness
simply slide away
the echoes will diminish
even though the memories stay*

*My deepest sympathies to each of you. Sending love and prayers
for strength.*
