“ I have many childhood memories of Karen and my sister Linda at my Grandmother's house and always trying to be part of their Miss America pageants! I remember how she used to LOVINGLY call me a brat! LOL! I KNOW I will see Karen in heaven when I get there, and I'm kind of jealous she is with Jesus and my mom, my nephew Brian, and all the other relatives who have gone before her. Sending my deepest sympathy, love and prayer for comfort to all of her family. Gail Conver Agresta

“ Remembering your Smile with the Sparkle in your eyes each time I saw you. How you taught me to make gum wrapper chains from juicy fruit, spearmint and double mint in what I know now as a herringbone pattern. Getting gum wrappers sent by mail to continue my chain. I look forward to seeing you again Karen !!! Love,
