*I have great memories of Karen from our time in high school, especially Ecology Club. I didn't really keep in touch for too long after high school...I was a couple years older. I am so sorry to learn of her passing....my sympathy to her family*

*Thank you Jane Evans for posting that picture from 1973. Nice to see "Mr. B" also on that raft with Karen. It brought back memories of our OJR Ecology Club trip in 1976. We went whitewater rafting/camping at the Monongahela River near Pittsburgh, and it was so much fun. We'll miss you Karen. I will always remember your quiet smile and your pleasant personality.*
