“ Ashley and Jennifer, I am so very sorry to learn that your mom has passed. I would always see her at Giant and she always had a smile for everyone. What a wonderful mom she was to you girls, I could see when you were all together, how much she loved you. If there is anything I can do for either of you girls please don't hesitate to call on me. You are all in my thoughts and prayers. God Bless.  
Your friend, Mrs Sell

“ To Andy, Ashley, and Jenny, I will always be there for you. They say God works in mysterious ways and we do not always understand why He does what He does, but hold strong to your faith and we will all see her again when we walk through those pearly gates.

“ Unfortunately my husband Tom and I can not attend the services this week which we send both the Hess & Yusko families our deepest condolences .I have known Kathy since childhood as her grandmother lived just a few houses away & Tom and I attended school with Kathy . After graduating from high school I lived just two doors away from her parents with my ex husband ( David Engle RIP) and our son with his parents. Over the years we would bump into each other somewhere ;) within the past ten years I have worked with her father driving school bus for Custers . Over the past seven years I ran into Kathy again but this time driving a school bus to pick up Ashley and Jennifer while subbing their routes . Even if I was just passing her place same time each day she would always be outside to greet me with a smile and a wave !!! Kathy never had anything mean to say about anyone and she loved her family unconditionally . I know I will see Kathy again when we meet inside those pearly gates and I hope she is there smiling and waving as always ... May God comfort everyone who loved Kathy during this time ...

“ I was so shocked to learn of Kathy's passing. I used to talk to her all the time when I would go in Giant shopping or picking something up for the Limerick Giant where I had worked. She is going to be missed by many. Andy if there is anything I can do to help you let me know, I was in this same situation two years ago when I lost my wife.
