“ Kay always had a smile on her face, I had the pleasure of working with Kay and many of her children at WAI. She was very dedicated to her work and family. Kay was a great mother and taught her children to always do their best. My sympathy goes out to all of her family.

“ *I am so sorry for your loss. Please accept my condolences. When I am grieving because I've lost a loved one, I have found comforting scriptures at jw.org. For example, It's comforting to know God cares about us during this time of sorrow (1 Pet.5:6-7) I look forward to seeing Kathleen during the resurrection (John 5:28,29). She will then again be able to enjoy her family/friends. I hope these scriptural thoughts bring comfort and hope to the family.*
