“ *Scott and I are deeply saddened by the news of Kathy's passing. She was such a lovely person and I always enjoyed my talks with her across the fence. My favorite memory of her is when she threw me an absolutely lovely baby shower for our first born. She went all out and asked the neighbors to attend. Being the frazzled young mother that I was, I didn't really understand how hard that was for her to put together...she had 3 very active young boys! I left the party far too early and have forever regretted that! She will remain in our hearts forever! We love you both and we were honored to have your family as our neighbors for 33 years! Love, Martha and Scott Stephens*
