“ I was so sad to hear about the passing of your Mother. She outlived my Dad by a year, and as contemporaries, they shared a long and happy life. That still doesn't make their passing any easier. I want you to know that you are in our thoughts and prayers. Your Mother was such a sweet person and I will always have such positive memories of her and your Dad.

“ It is always hard to bear the loss of a beloved family member. Just remember the happy occasions that you shared with her. I remember how she enjoyed Anja & John's wedding. She danced and had a wonderful time. She was, and will remain, well-loved in her family.
