“ Dear Peg, Jim and Kathy-- Was so sorry to hear about Sis. I know that we have not connected for a long while, but I will never forget how it "used to be" I believe the last time I had seen her was at Marian's funeral. You have my heartfelt sympathies because I know how tough it is to lose someone you love. If she was suffering and not living the kind of life she would have wanted, it was probably for the best. But it is never easy to accept that. It is always a loss that is difficult for us to justify. My prayers are with you and I expect to see you at the graveside service. (By the way, I didn't see Lynn's name in the obit?) BOB

KA

Lynn never helped me care for Mom for 12 years while she was on Dialysis. Lynn stopped calling Mom shirtely after Dad passed this was why she was omitted!!  
Kathy

“ May you find comfort in the memories that are yours to cherish always, and strength in the companionship of those who share your loss.... I have learned never to underestimate the healing power we all have. It is always there to be used for the highest good. Blessed are those who mourn, for they shall be comforted. (Matthew 5:4) May it be a source of inner strength to know that there's a loving God watching over you, and that, throughout this time of need, He'll stay close by your side. All those sleeping in their graves will wake up and sing for joy. As the sparkling dew refreshes the earth, so the Lord will revive those who have long been dead."-Isa. 26:19.

“ Kathy, I just want to say how sorry I am to read about your mom. I have good memories of spending time with you, your dad and Mom in Wildwood when we were in school. I know how hard it probably was for you to watch her have to go thru dialysis as I did with my mom too... She is in a happy place now watching down on you... You are in my thoughts and prayers...Lisa

“ Kathy,  
Your Mom is at peace and finally pain free. I hope that you find comfort is knowing that.  
Your Mom was such a strong woman. Through all 12 years of dialysis, surgeries, ports, needles, hospitals, and even being virtually blind - I never heard her complain one time. She was always thankful for what she had.  
As they say " the apple does not fall far from the tree" - you have also been a very strong woman. You have always been there for your mother and I know that she appreciated everything that you did for her. She was your first priority, and she loved you very much. I commend you for your devotion and respect for your mom.  
Your Dad, Nana, Uncle Al and Jimmy are all waiting for her with open arms, and we will all be together again someday.
