“ Kathy, Terry, Deb, George and Richard, We will always remember your mom, Aunt Kate for her fire crackers at Mom-Mom picnics. She also made the best potato salad in the world. She told me how to make it, but it just isn't the same. I know this will be a difficult couple of days, but know that she doesn't have to be afraid anymore of anything. She's walking up in heaven with Mom-Mom and your Dad. Each day you will remember something totally forgotten about her and your life. Celebrate those memories. Our prayers are with you. Although it is difficult today to see beyond the sorrow, may looking back at memories comfort you tomorrow. There are time when these memories will make you cry and times they will make you laugh, but they are all wonderful memories you will cherish forever. Just know she is with your Dad in a much better place now. Our thoughts and prayers are with you.

“ Kathy, Terry, George, Debbie and Richard....Celebrate the memory of your mom, she was always such a fun loving person to be around. I remember her visits to the fire house and how she always had something kind or funny to say. Theres no greater love than a mothers love and she surely spread that love around to everyone she touched. She is in Gods hands reunited with your Dad, what happier of a thought could you have for her.
