“ I worked with Kathy at Maillie Falconiero 20 years ago. She was a humorous outgoing person and a friendly voice when calling the firm all these years. Your loss is only exceeded by her true peace in heaven today with Jesus.

“ *Aunt Kathy, I miss you. I've been thinking of you every day since you went to heaven. Still can't believe that you're gone. I'm so thankful that I got to hug you and tell you that I love you one last time just a couple of days before you left us. You were a blast to spend time with. I can close my eyes and see you in my mind, hear your laugh...I'll treasure all of the fun times we had together. I never thought that we'd have to miss you so soon down here, but am so thankful that b/c of our salvation, we'll see each other again one day in heaven. :) I'm sure that you are up there making the angels pee their pants with laughter b/c that was always your way. I love you.*
