“ *Most of us had the privilege of working with Keith during residency. He was a kind and thoughtful person who was always happy to take time to explain things to us, no matter how small or silly our questions. Whether he helped us learn or was simply nice to us on a bad day, each of us have stories about how wonderful Keith was. His passing is a tragedy. Our hearts go out to his family, and we wish them peace during this difficult time. We were blessed to know Keith. He will be greatly missed.*

Keith will be missed by everyone who had the opportunity to meet him! He was a very giving man, great father, wonderful boyfriend to our close friend Jenna, and an extremely hard worker. It's obvious his parents raised him well and they should both be so proud!!! We will always remember our fun times shared with him. Keith we love you! The Kobilka's

“ Donna and Keith, you both know how much we loved little Keith. We were so honored when you asked us to be his Godparents. He was always running around, so filled with joy and excitement. He could hold a conversation at 5yrs old and we loved when he would stay over night, watch TV and made his favorite cheese dip. He had a way of making everyone feel special and it was never hard for him to say I love you. He will be forever missed but always on our minds. Please know that we will be there for you during the difficult days ahead. We feel your loss, can not imagine your pain but we will embrace you with all the love we can give. Love, Trudy and Joe

“ We have known Keith since he was 6 years old. He lived in a white house immediately behind our backyard. When aroused, he had the voice of a bull moose. Those engaged vocal cords left no doubt who was shouting something important.....

"Beeper, beeper, beeper...there is a storm coming". This was who Keith was. Early this morning we found what we most admired and trusted about Keith. There was no hesitancy about Keith. He accepted and embraced all the challenges and opportunities of life. No hesitation in expressing gratitude and love, offered with an honesty that contained no pretense. We think this was Keith's lesson, his teaching moment. Keith knew right from wrong and his moral compass was his guide. We have known his Mom and Dad, Donna and Keith Snyder for 33+ years. Their son was a testament to parental love and responsibility. We mourn with them in their loss and we will cherish our memories and his examples.

*Love you forever,
Matt and Kathy Leibowitz (wild woman)*

“ A lot of us remember Keith coming on his first Myrtle Beach golf trip. For the first tee off of the trip we duped him into hitting an exploding golf ball. He cracked up afterwards.

“ Keith was one of the nicest people I've ever met. I have the pleasure to have Jack and Lily at their day care center. He was an amazing father and adored his children with everything in him! “ I am so sad to hear that such a wonderful guy is no longer with us. Keith was a positive, friendly, happy, encouraging and caring and energetic addition to any team we played on together for the past several years. He often mentioned his loving partner and the joy he had for all 3 of his children. He was so happy to have found someone perfect for him. I know he has enormous love for all of you! I am so sorry for your loss. We'll pray for you and your family. Peace be with you and let us know if there is anything his hockey family can do to help.
