“Wow too many to mention. Over 20 years from our first meeting at Tom's bar in your shitty porche but it ran lol. We played pool there and then her shooting game which usually had her name in top 5 and many times #1. It's almost a year and all I think about is skipping the whole month of September. I think about you all the time and just wish I made those return calls, and I will always feel guilty about not getting back to you before your passing. I love ya girl and miss you and always will !”

“I'm so sorry to hear that Kelly passed away. I have many fond memories of the times we went out. We were crazy but fun with practical jokes, shooting pool, playing craps and hanging out watching movies. Now she will be with her mom, dad, gram, poco and Joey her very close friend whom passed away from a stroke. We had a very special moment at one time to which I will never forget! I will miss you and will see you again on the other side! Rest in peace 🕊️ and I love you Kel”
