“ *I didn't know him personally. However, I saw him almost daily at the Limerick Wawa. He was a kind, friendly man who always shared a "Hello" with me. I will remember his smile and sparkly blue eyes. My Condolences to his Family.*

“ I spent many good times with “Alfie”. From NASCAR races to windsurfing to Atlantic City trips, Kenny was generous to a fault. His dry sense of humor was a acquired taste, but once you got him, you would Love him.everyone knew Kenny. To say Kenny was ex centric would be a understatement. I’ve seen hundreds of friends come in and out of my life in the 30 years since I first met him, but Kenny always remained a steadfast friend through it all. The very reason that I even checked on him recently only to hear that he passed, was because for the Last 20 years on my birthday I would receive a Birthday card, typed out on a typewriter, with a “Chicken Scratched” hand written note that would say “Happy birthday you ole Turkey” raise a glass of Crown Royal to my Friend Kenny! I love and miss you my brother.

Your Friend,
John Pilon

“ I am so sorry I missed his graveside service this past Friday. I just wanted to say what a delightful person he was. He drove the Vanguard Shuttle and brought me home everyday. He was always joking and so friendly. When there was bad weather it meant the ride would take longer than normal. He would bring candy bars on the shuttle in case any of us got hungry. He was a delight! I am so sorry for your loss. I'm going to find his grave and pay him a visit for sure.
