“ My condolences to Aunt Dick and family. Grew up with Kenny in our early days and our families were always doing something together. He would do the craziest things and some how always managed to make us laugh. Time passes and memories of our childhood friends and family remain and now we must say good bye to an old friend. Rest in peace and may you join others in heaven - to ride those big bikes and make some noise - rev those engines.

“ I am deeply sorry to hear of Kenny's passing. He will be missed racing down the pavements of Royersford and Spring City in his wheelchair! We knew the Flack family well, from growing up in Limerick, he also went to school with my sister Karen, and my brother Wayne. He was a lot of fun, always the prankster and dare devil, but we were a lot younger in the those days!! Rest in Peace...
