

Kenneth D. Kline

April 30, 1932 - January 14, 2021

Kenneth D. Kline, age 88, husband of the late Elaine Rogers Kline, of Jeffersonville PA, Audubon PA, Lopez, PA, passed away on Thursday, January 14, 2021 at The Landing of Collegeville. Born on April 30, 1932 in Harrisburg, PA, he was the son of the late Kenneth K. and Isabel Osman Kline.

Mr. Kline was a graduate of Norristown High School, and proudly served in the United States Army during the Korean War at a base in Greenland. He worked as a pipefitter for Rogers Mechanical in Norristown until his retirement, 1997. Shortly after "Pap-Pap" and "Mom-Mom" retired to their cabin, Camp Rainy Day, in Sullivan County for the next 20 years. Ken and Elaine thoroughly enjoyed life in the woods. Mr. Kline could be easily found either, working on his next project, hunting or fishing, bird watching(including bear-proofing the bird feeders), and tapping the sugar maples in the fall to make a batch of delicious Homemade Maple Syrup. Prior to his move to Sullivan County, he was an Elder of the Jeffersonville Presbyterian Church. He was also an active and faithful member of the Redeemer Bible Church in Dushore, PA. Ken volunteered monthly at the Sullivan County Food Pantry, feeding one community at a time; where he would prepare and distribute large bags of food for all who came.

Mr. Kline is survived and forever loved by two children, Kenneth D. Jr.,

husband of the late Ruth O. Kline of Audubon, PA and Patricia K., wife of Robert McComsey of Oxford, PA; three grandchildren, Christopher D. Kline, husband of Laura Hricko, Gillian M., wife of Matthew Layton, and Hilary E., wife of Louis Kline III; two great-granddaughters, Frida Elaine Hricko Kline and Melody Ruth Layton; and one sister, Georgeanne, wife of James Minnicks.

Funeral services and reception will be held at a later date (please email Hilary Kline at Hilary.Lk10@gmail.com to be included in the communications of that event). In lieu of flowers, memorial contributions may be made in his name to either

“ Ken was such an important part of the food pantry. He helped with the original renovation of an old garage that became our food storage shed today. He would come faithfully through any weather to unload the trucks of food and arrange them on the shelves. He also took care of our old heater. When the wind blew, the pilot light would blow out, so on windy days or nights Ken would drive to Dushore from Lopez to relight the heater to keep our food from freezing. He was always ready for the challenge of fixing whatever didn't work or fit. We first met Ken and Maggie at lunch after packing food their first day of volunteering and found that they had lived one block away from us when we both lived in Audubon. We became more than coworkers but good friend. Ken traveled with the “Car Guys” to many museums to see old cars in PA, NY and OH. Maggie and Ken took trips with us to ride old trains and enjoyed dinner at Guisseppi's every Wednesday. He helped us with many projects we had in our cabin since he had built his cabin. Spencer and Ken rode together to Masons meetings for years. We have so many happy memories of spending time with Ken.

HI

That definitely sounds like Pap-pap! I love that you mentioned his servants heart and his ability & readiness to fix anything! Thank you for sharing this wonderful memory. I remember him telling us of friends they met upstate that only lived a block away previously. Such a small world 💕💕

“ I will remember how he always had a smile on his face. He was one of the nicest, kindest men I ever met. We would always talk for a few minutes before church. I am grateful that I got to know him and Elaine and that they were a part of my life.

“ We are thankful that Pap-Pap got to be apart of big events in our lives, our wedding and having him come visit Melody (his first great-granddaughter) after she was born. We are grateful that we got to go visit Great Pap-Pap at The Landing on several occasions.

“ Greetings, My name is Kenneth Marshall. I am the Worshipful Master of Evergreen Lodge No. 163 F. & A. M.. I would like that Ken attended lodge every month. He enjoyed being a Mason very much. He really enjoyed getting together with his Brother Mason after our meeting for a meal and talking with everyone. I also had the privilege of volunteering at the food pantry with Ken. He loved being to do his part in helping those families that wee less fortunate. I feel very lucky to have had the opportunity to know, and to say that Ken was my friend and brother.

Ken was my mentor at the food pantry. We often spent a lot of time putting food on the shelves and taking inventory. Neither one of us could ever remember how to spell spagehetti. He always had to get the spelling right I on the other hand was just willing to come close. I remember he always called Maggie Toots? May you take comfort in knowing he made the world a better place with his attitude and willingness to help others.
