“ I am deeply saddened to hear about your loss. Death is such an unnatural and unfair part of life. God's purpose was never for people to die. Romans 6:23 tells us, “The wages sin pays is death, but the gift God gives is everlasting life.” God wants us to live forever on a perfect paradise earth. It will be a beautiful day when we will all be reunited with our loved ones.

“ Let's try this again without auto correct! I remember the time that Big Kerry went to Blue Marsh with us, Kerry, Cartmel, Nate and Justin. We had a blast even though Kerry's Boat wasn't running right and everyone left Nate and Justin (Guilligan and skipper) behind to drive the slow boat. It was a lot of fun! He will be missed!

“ Uncle Kerry you were my second dad growing up. All my childhood memories are with you and my parents. You forced me to get over my fear of thunderstorms. That I will never forget. You were there for my prom for me. You were there to take me shopping for my wedding. You will be greatly missed but never forgotten. I love you.
