“ *I am deeply saddened by the untimely passing of Kevin. I just wanted to share my memories with all.  
Kevin, at 19, was still a kid - younger than my own - fresh out of high school and attempting to find his way in his first "real" job. What I remember most is the enthusiasm and energy he put into learning the job. I remember how his face beamed each time he was complimented on his work! He always took pride in his accomplishments. His happy-go-lucky attitude and ever present smile was infectious to his co-workers, and he was well regarded and liked by all who came in contact with him.  
It is sometimes beyond our reasoning just why certain events take place and change the way things "should have been", but it encourages us to appreciate and accept all that God has put in our path in our journey through life. I believe that the measure of a person's life is not so much in the fortunes that he has acquired or the empire he has built, but rather in the lives he has touched - family, friends, co-workers and strangers alike. I am glad to have met Kevin, if only for a brief time. My sincere condolences go out to family and friends. I share your loss.*

“ Dear Kevin,

*I honestly don't know what to say. When I heard the news I was just completely shocked. I never would have seen this coming. I just want to say thank you so much for being there as a good friend and neighbor. I'll never forget some of the good times we had together. Whether that be nights at the diner, riding our bikes to anywhere we could think of or just seeing each other in the hallway at school or on the bus and talking. Trust me when I say I'm going to miss you. But I look forward to seeing you again someday. You'll forever be in my prayers.*

“ Everyone is wondering WHY? That's what we ask. The truth is we may never be able to know for sure why. But we do know that there is no single "should have done" or "could have done" or "did" or "Didn't do" that would have changed that Why. All that Love could do was done.

*With Deepest Sympathy!!!!*

*Kevin was a great kid and always had a smile on his face GOD BLESS!!! JOHN if you need someone to talk to You know where to find me cell number 484 300 6000. I will be there in a heartbeat!!!*

“ Kevin was always so happy whenever I saw him. My daughter had a secret crush and it was no wonder why. Lisa and Ben...I love you and will pray for you as well as Caitlyn, for the pain to be bearable. You were missed Kevin...the minute you left us. You were a wonderful kid with an infectious smile. We will remember you.

“ My sincere sympathy goes out to all who knew Kevin. I met Kevin a short 3 years ago while he attended WCTS with my son. Each time I had the pleasure of seeing him he always was smiling & joking around. Kevin will be deeply missed by all, he met more to those who knew him then he realized.

“ kevin, i am so saddened by this loss, and i know too, that more people than you could have ever imagined are devastated by it as well. i wish only that you could have known how much you meant to not only me, but to the countless others who are greiving now. your smile and your eyes truly were infectious, you had such a radiance about you. when you smiled at me, everything sad or troublesome in my life just faded away. you were a perfect light of hope. your energy, vibrance and enthusiasm lit up my world. i will miss you more than these mere words could ever express. a small part of you will always live on in my heart. you touched me in a way that i cannot explain, and i am so sorry i could not be there for you in your time of need. i pray that God allows you to see how very much you meant to those of us who will continue to carry your light in our hearts, and i pray too that all the saddness that surrounded you has been lifted, and that you are now safely tucked away in the arms of an angel. let your light shine on!
