“ Kevin was in my very first class (third grade) at St Ann School when I began teaching. He was a gentle soul as a child and that same spirit carried into his adult life on the occasions when I would run into him. Prayers for Kevin's family. Rest peacefully, Kevin!

“ Kevin was one of the kindest, friendliest, and funniest people that I have ever met. He not only loved watching Philadelphia sporting events, but would discuss/debate Phillies' or Eagles' sports lore with any younger Philadelphia sports fan without hesitation. He also loved to watch PGA Tour/USGA Golf and truly, truly hated the Dallas Cowboys. And he was one hell of a pool shooter too. What a great guy - he will be missed.

*Dear Terri and family,
The Class of Phx 72 are heartbroken to see another one of our classmates leave us too soon ! I can't speak for everyone but Kevin and I go back to 1 st Grade at St. Anns and I believe we were in many classes together until we graduated high school. Keven was so kind soft spoken and a good friend to so many. He had freckles than me I use to tease him about that lol ! We will miss him in the coming years please accept our heartfelt condolences and prayers during these hard days.*
