

Kyle Douglas Freed

August 18, 1963 - December 28, 2017

Kyle Douglas Freed, age 54, husband of Mi Young "Judy" Kim, of Spring City, PA, passed away peacefully at home on Thursday, December 28, 2017, with his beloved wife and children by his side after fighting a courageous battle with cancer. Born on August 18, 1963, he was a son of Arlene (Brandenburg) Freed, of Upper Providence, PA, and the late Barry T. Freed.

Kyle was a 1981 graduate of Spring-Ford High School, and had attended the former Spring City United Methodist Church. He began his volunteer career in emergency services at the age of 13, when he joined the Spring-Ford Rescue Squad, where he achieved life membership. After obtaining his Paramedic Certification, he served on Medic 99, as well as volunteered for the Spring City, Friendship, and Lower Providence Ambulance services, as well as the Friendship Fire Company in Royersford, where he also held life membership. After more than 35 years as a volunteer paramedic, Kyle was employed as an ER paramedic with Einstein Medical Center Montgomery and Crozer-Chester Medical Center.

Kyle worked for McKissic Appliance, Commodore Computer, and Center City Steaks, prior to owning Phillies Steaks in Audubon for six years. He was also the owner of Kyle Freed Appliances, later renamed Silver Lining Services, in Spring City, PA. Kyle enjoyed hunting with his dad and friends at Camp Tuscarora in Mifflin County, mentoring young people in EMS, and spending

time in Ocean City, NJ, New York City, and attending performances in Philadelphia. Kyle enjoyed comedy, music, and luxury cars, and had a love for the English language. He was an excellent writer, and his secret ambition was to write a novel about the humorous side of life. Kyle used to say that "Life is a people business, and you must learn how to deal with people." From dealing with the sick and injured, helping others with simple home repairs, playing Santa Claus to bring a smile to a child's face, mentoring others, or caring for his family, Kyle learned to listen and he opened up his heart to everyone he met. In his final days, he never lost his sense of humor.

In addition to his wife, Kyle is survived by two children, Rose and Aaron Joon, both of Spring City, PA along with his beloved dog Lucy; three siblings, Michael Freed of Phoenixville, Kevin, husband of Nicole Freed of Pine Grove, and Gailynne, wife of Francis Ferguson of Lower Pottsgrove; two nephews, Karim and Jamiel; and many close friends, including Scott Schubert and Tommy Natoli. Mr. Freed was preceded in death by paternal grandparents, Jesse and Agnes Freed and maternal grandparents, Hiram and Adele Brandenburg.

Relatives and friends are invited to attend his memorial service at the Cattermole-Klotzbach Funeral Home, 600 Washington Street, Royersford, PA on Saturday, January 6, 2018 at 11:00 am. Burial will be held privately. Friends will be received from 9:00 am - 11:00 am at the funeral home. In his memory, the "Kyle D. Freed Community Service Memorial Award" has been established at Spring-Ford High School. In lieu of flowers, memorial contributions may be made to Mi Young Kim, 560 Broad Street, Spring City PA 19475 to help offset expenses. Condolences may be made by visiting www.RoyersfordFuneralHome.com. Arrangements are being handled by the Cattermole-Klotzbach Funeral Home, Royersford, PA.

“ *Rest in Peace dear Kyle. You were one of God's messengers and angels, I am sure. Although I never met you in person, I heard so much about you and the wonderful things you did so lovingly for your family. I feel as though I know you from the stories your sweet Mother Arlene told me on our afternoon walks at Immaculata University during lunch breaks. Now, you are in God's loving care.*

Kyle - The brother I wished for, a soldier in arms working the ER at MCP, a tinker, inventor, jack of all trades, the best father I ever saw, a loving kind and joyful heart, a humorist, confidante and best friend.

*My life was, and is, better for having you in it.
Thank you for the sanity. Peace and much, much love.

Just about one of the funniest and nicest guys a person could ever meet. I have never met someone so talented that could fix anything. He fixed my HVAC unit after 3 others looked at it and said I needed a new one he insisted he wanted to come and look at it and I said sure why not and low and behold in a half hour he had it fixed and it's been working ever since and that was almost 4 years ago. I will miss you Kyle you were a great man and a good friend.

“*Heaven gained not just another angel, but a man of God. Who exemplified what it is to care, have hope, and never say I quit. I'm so blessed to be apart of your life here the last couple of weeks. And will always remember you as a comedian who loved life. When I asked you what your favorite Christmas song is. You responded with " Santa Baby", that song I will dedicate to you every Christmas season. As I ring in the New Year 2018. I so too will be toasting to you and your heavenly life.*

“ *The loss of such a man as Kyle is immeasurable. Kyle was so special to everyone he met, most importantly his family for whom he was their rock. The passing of Kyle is also a huge loss to the world of prehospital paramedicine as he devoted his life to the service and care of those that had fallen ill or becvame seriously injured in some form. Kyle is the kind of person that when you met him you immediately became his friend. I, like his family, will miss him greatly. He is at peace now in heaven with our saviour Jesus Christ. May he rest in peace and may perpetual light shine upon him.*
