“ Larry Jr, We were so sorry to hear of the passing of your father. Our deepest sympathies go out to you and your family. You will remain in our thoughts and prayers at this difficult time. Mike and I always enjoyed talking with your father at the firehouse and he always found a way to make us laugh even though things weren't going right for him and was always genuinely interested in our lives. I will forever remember the wonderful hugs he would always give to me at each encounter. If there is anything we can do for you, please let us know Stacey and Mike
