“ As soon as I saw Larry' face in the video, from his elementary and junior high school days, I immediately recalled being around him in and out of school. I remember that he had a great smile. My sincere regards to all of Larry's family.

“ I just wanted to give my heartfelt sympathies to the family. I didn't get to say goodbye to Larry before he left the neighborhood so this is for him: Hey Lar, thanks for reading my short stories and poetry and being supportive of my writing. I always enjoyed sitting next to you at the cafe and hearing about your travels across the country. I can remember many nights of laughs and you teaching me "liar's poker" with a dollar bill. I'll end it the way i always said goodbye to ya, "If I don't see you through the week I'll see ya through the window." You would say, "Just keep movin' son."

“ I have found memories shared with Larry. Pedaling my bike down to the farm on Dreibelbis. I remember he always had his tongue hanging out when doing art! A shared cigarette at 4th and Green Streets as he went one way and I the other. My condolences to the family.

“ To the Family, We are always saddened by the passing of our dear loved one. The time we have with them is never enough. Please keep in your hearts and minds the wonderful joy and happiness they brought to your lives. Even though it is hard for us to imagine the void in our lives be assured of this period as resting time for them. Hope is given to us through the scriptures that this enemy called "Death" will soon be done away with. (1 Cor. 15:26) Not only will death be no more, neither will sickness, pain and sorrow be anymore. (Rev. 21:3-4) God has said "He is making all things new". My prayers are with you all. Agape' C. “ Daddy: "Seems like it was yesterday when I saw your face, You told me how proud you were, but I walked away. If only I knew what I know today I would hold you in my arms, I would take the pain away, thank you for all you've done, forgive all your mistakes. There's nothing I wouldn't do to hear your voice again. Sometimes I wanna call you but I know you won't be there. There's nothing I wouldn't do to have just one more chance to look into your eyes and see you looking back." I will love and miss you forever. Your Baby Ducks.

“ *I had the pleasure of working with Larry, and over the years became friendly with Him. Funny---I would be in the area and stop by The Prince to buy him a beer...and He would buy Me a beer instead. I'm going to miss all his stories of his lifetime....and BOY did he have a lot. GREAT Man.....Sadly missed. R.I.P. Larry A. McCorkle*
