“ *Laura and her husband Michael were like parents to me. Aside from the incredible musicians and teachers they were in shaping my life, Laura and Mike were there for me when my mother died of cancer seven months after I graduated from Lincoln High School in Philadelphia. At that point I was attending college near their home and Laura would invite me over for dinner or to sing with the choir at Visitation BVM Church. Laura and Mike helped me through the grieving process. I cannot say enough wonderful things about them... so grateful for both of their lives. Still miss them in 2020.*

“ *I love Laura's favorite song. I had never heard it before and have been humming it for two days now. The photos in the video are delightful to see; Two happy people made four handsome, intelligent men, followed by six lovely granddaughters. It was a pleasure to know Laura - may she rest in peace. xxoo*

“ *We will miss Laura at Shannondell. In spite of her many health issues, she was always a bright light, greeting us with a bright smile. We also enjoyed her piano playing . She wasn't feeling well when she played th piano at the "Shannondell Dreaming "play but who would have known?*

“ To the Family, We are always saddened by the passing of our dear loved one. The time we have with them is never enough. Please keep in your hearts and minds the wonderful joy and happiness they brought to your lives. Even though it is hard for us to imagine the void in our lives be assured of this period as resting time for them. Hope is given to us through the scriptures that this enemy called "Death" will soon be done away with. (1 Cor. 15:26) Not only will death be no more, neither will sickness, pain and sorrow be anymore. (Rev. 21:3-4) God has said "He is making all things new". My prayers are with you all.
