“ *I will miss all the times we sat at my kitchen table and just talk about anything and everything. The different times you would come out to the shop just see what I was working on. You were my fire work partner at the forth of July pick nicks when you were around i knew something was going to fly up in the air believe me I would find some things on my house roof from time to time. But most of all I going to miss the way you were always there for our children and did things with them. So long my friend till I see you again in heaven some day your son in law Stephen*

“ Pat, We so enjoyed the many rides together, especially to Rock Hall, MD. We enjoyed the times we have shared at the Gray Ghost. We know how much you both loved Vermont. We were grateful you played such an important role at our wedding. We were grateful you shared our joy at Cate & Dom's wedding. We were honored to have met your joy..your daughters, son-in-laws, and grandchildren. We will always remember his sense of humor and love of Tanageray & Tonic. We will cherish these last few rides we shared with the two of you. We will miss Lew, but will always be here for you Pat, just a phone call away. All our love & prayers, Your fellow Kawi lovers, Frank & Carole Marco, fellow members off STAR TOURING & RIDING Valley Forge 326 Chapter

*P.S. Our condolences to our newest Seeders friend, his mother, Miss Ruth*
