“ Deepest sympathy to Lillian's family. She will be missed. Her online posts were always so positive, even when she herself was not in good health. I knew her when we were in elementary school and through the rest of our school years...

“ Lillian and I go back to junior and senior high school days. Lillian, I will miss you and miss the wonderful, uplifting messages you so often sent me. You were always cheerful and filled with positive thoughts. When my brother-in-law was critically ill, you were so very comforting with your kind words. You will be missed by the Class of '68. Tomorrow I will have a Wawa coffee just for you as I know how much you loved Wawa. Rest in Peace my friend.
