“ *Bev, I'm so glad that I had the pleasure of meeting your mom back in 2009 when our dad's shared a room at the hospital. I will always remember her smile and the kindness she showed to our family at such a difficult time. I will keep you, Jim and your entire family in my prayers.*

“ *Bev, Linda and family It was a pleasure for me to have known your mom, even in the limited capacity that it was. She and your dad seemed to be very dedicated to one another. Both of them kind and gentle people. Although we are left to mourn, I believe that we do meet up again in heaven and they are happy together. I wish you peace as God walks with you at this sad time.*
