“ *Although I had only known Linda for 7 years, she made me feel as comfortable as an old friend. What an amazing loving person who welcomed all with open arms. I cherished the time we spent together. Meeting her brother and sisters and their spouses was so nice. Their love was special and so genuine. Her relationship with Marty, Scott and their families was beautiful. What a great fun loving lady. I was looking forward to another trip to Longwood Gardens where Linda could race around with Betty in their carts. God bless you Linda and the families you left behind. Al*
