“ I've known Linda since I was a girl, growing up in the apartment building that they owned. I remember how sweet and loving she was. A very special person. May she be resting now in peace in the arms of the Lord.

“ Linda was my dear sweet friend since 1969 when she moved to South Pottstown just across the ally to my family home. She was so sweet to me as a boy. After the flood I bought her beloved 67' Mustang and spent many hrs in her home. I had a minibike around 1970. She asked if she could ride it which I agreed to. She immediately drove it into a cement bench in her yard which we laughed about many times in long phone conversations in the 3 yrs before she was a resident at Parkhouse. Linda and I were loving friends with each other. I always felt better after talking with her. Although I am very sad about my dear friend's passing, I feel good knowing that she is with God in heaven, where someone like Linda was always destined for. Rest in peace dear Linda. I'll always love you my friend.
