“ *Tom worked with Lois at Royersford Foundry and Machine - she retired from there not Jones Motor. I remember she told me Doug sent a limo the day she retired. Hopefully she and Doug are together now.*

“ *Love you, Grammy. I only wish you could have met your great grandson, but we will tell him all about the great times we had with you and Pop Pop. Please help me to watch over him and keep him safe. We will miss you here, but now you and Pop Pop can truly be at peace together. Lots of love.*
