“ To Loretta's Family, I am so saddened to hear the passing of Lorretta. I remember her when she went to Fellowship Health Resources as I worked the front desk everyday. She was always smiling and cheering you up if you were down. She had spunk and conviction. Always on the go and never stopping. May you have wonderful memories of her and know that she has met her creator and dancing with the angels Please remember that God only takes the best!!!. Bob Domarasky (Ex employee of Fellowship Health Resources 2003-2005)
