“ Loretta was like a "Mom" to me. She had one of the biggest hearts. We talked every day, laughed and watched out for each other. She loved her family more than anything in the world. When you were her friend, you were her true friend! One great lady!

RIP Loretta, you are greatly missed.

Love,

Lisa Chis

“ Vic and I have so many fond memories of Loretta! She was a wonderful neighbor and a good friend! She was always ready to get together whether it was a dinner, a holiday get together or just the women playing cards. She even visited with us when she was on a cruise ship that came into Cape Canaveral, FL. We will always remember her and the fun times we had together! Our sincere sympathy and love, Vic and Jean Tuscai.

“ Aunt Loretta and Uncle Leroy were part of some of the best memories that I had as a child. Even after moving so far away there was never any question about her love for us. Aunt Loretta I will truly miss you. Loretta had a way of letting anyone around her know that they were welcome.
Prayers to the family during this time and know that heaven truly gained an angel.
Love, Tracie

“ Loretta has not only been my sister-in-law, she has been my beloved friend. After the death of my husband, her brother Martin, Loretta was a much needed support. When I was fortunate to find Doug, 10 years after Marty's death, Loretta was never judgmental - only happy for me. In fact she always told Doug she loved him. I will certainly miss her text messages and her phone calls, but most of all - I will miss being able to visit with her and laugh together at how dumb some of the people on game shows can be. Love you Loretta!!

“ Loretta was a cornerstone of our family and will be deeply missed. Be it hosting a Sunday dinner, or the phone call you could count on to wish you a happy birthday, she always put her family first. We will honor her by continuing these family traditions, with her love that she shared in all of our hearts.
Through Jesus Christ we will meet again.
