“ *As Loris Aunt I am stunned and so very sad. Taken from us so suddenly. My memory of Lori will always be her love for her boys. Her marriage was sacred to her. Her love of God's green earth..especially fall seasons and snowy days! She had her Moms funny bone, and a wonderlust for traveling. I'll never forget your smile...forever in my heart. Your Aunt Kathy loves you.*

“ Beautiful video. Lori was such a wonderful person. My daughter Kim and her were best of friends. Had many fun times together in the last 20 years. I was proud to know her and have her as part of Kim's life. She considered Kim family to her boys. She will be missed greatly but will be remembered forever with love. Rest in Peace Lori

“ I met Lori through my husband & my sons bowling with youngest son. She was such a warm friendly person. I know from speaking to her on Facebook how much she loved her husband & children. I am deeply saddened for this loss & continue to pray for her family through this.

“ As librarian at Spring-Ford High School, I remember Lori from school; I also remember her active participation in band. Her mom used to be a neighbor of mine, so I was able to see Lori, the kids, and George often. What a positive, giving person she was. My heart goes out to George and the boys. Prayers for all. “ Lori, our mothers are sisters and now you all Rest In Peace with them, your gram Lukens, your dad, and Aunt Sandy and Uncle David. You were too young to leave us but this is God's plan for you. You were his faithful servant here on earth. We are blessed to have had the time we had. Rest well lovely woman.

“ Words cannot convey all the feelings and emotions that hearing of Lori's passing has brought upon myself and all those that knew her and loved her. My most recent memory of Lori was at Michaels. I was the first person that she rang up while working as a cashier. When we saw each other she gave me the biggest hug ever and introduced me to her co-worker as an "old friend". She went on to explain that I wasn't old, just that we had been friends for a long time. Lol What I wouldn't give to see my "old friend" again. Lori will be greatly missed and I send my love and prayers to all her family knowing that she is in the arms of Jesus.

“ I am so sad to hear of Lori's passing. Have not seen her in years but have been a friend on Facebook.. she was an amazing wife and Mother. I can still remember the first time I saw Lori with her parents.Her parents had just bought the house across the the street from us.. She was skipping on the sidewalk to her new home with her Mom on one side of her and her dad on the other.. She reminded my of Cindy Brady with her blonde pigtails.. My children have so many great childhood memories. Sledding ,of course barbie dolls.. She will be missed...

“ *Lori was my Facebook Puny Pal. She would send puns out to her friends. I always had a good laugh in the morning. She also liked to tease her "spider fearing" friends with posts of scary spiders. I think her best posts were pictures of her boys and their activities... bowling, football, band etc. I also enjoyed her vacation pictures....she loved visiting Maine. Lori's family came first in her life. She loved family dinners and holidays. She also loved God... She was active in her church and in the VBS programs. My dear cousin and friend. Prayers for your family. God give them the strength to go on. Robin Emery*
