“ Dear Joy and family,
I know you and only your parents through FB and video. I am very sorry for your loss--I can tell he was an amazing leader, father and inspiration to be the best. I have one memory of your Dad--when we did food safety videos a few years ago--maybe 5 or 6 years now? You were teaching your Dad grilling food safety out back at their house and he was such a trooper about it. He played along and it was obvious he had a gentle spirit with people. His memory will live on.
