“ Words can't express or ease the loss... Aunt Margaret's presence will be missed. There will be so many little reminders, and so many things we forgot to ask... but her memory will live on thru your lives. Remember the blessings.

“ To loose ones mother is indeed a painful and difficult time. But your mom was so loving and caring that her life left a mark on all those who knew her. It seem like as far back as I can remember your mom was always involved in helping out in the community..at the firehouse, KYAL, wherever she was needed. We're all richer for knowing her and all sADDENED
