“ I was so shocked to read of "Pep's" passing. We were very good friends in high school and were in the high school band together, having much fun together. I have great memories of my visits to her house on Penna. Ave. and of her Mom and Dad. I extend my condolences to her husband, and sisters, and family.

“ Dear Sandy I was very saddened to hear of your mother's passing. I did not know that she had been in hospice. Please know that my thoughts are with you. I lost my dad suddenly and my mom after a longer illness--nothing prepares you for how it feels. Be sure to take time to care for you. Best regards, with sympathy Leslie
