“ Bill and I fell in love with Marge from the first Dad (Bob Gibbons) brought her to meet us and our daughter Gena in Dec. 1999. Marge became Mom to the "Gibbons Gang," and I know Carolyn Gibbons approved, and they would have been good friends. Marge had a kind, patient, and fun loving nature. She became one of my dearest friends in the whole world. She always served the LORD and others with gladness and joy. To have been part of her life, and to have her in mine is one of the greatest life gifts I have received from God. I MISS HER SO MUCH ALREADY. But I know we will see each other again in our HEAVENLY home where there will be no more tears, pain, suffering or separation from those we love so deeply. In a place where we will never grow old! I love you Marge!! Melene Gibbons

“ Marge was one of our "Ladies of Longcross" group of neighbors. We went out to dinner once a month. I attended dinner quite often before Covid but did not see her much after that. I have only lived in the neighborhood for 3-4 years. but she was always pleasant and kind. I felt a kindred spirit as my husband and I moved here from Buffalo NY. I always admired her spunk and opinions, and the fact she was usually a very active, independent woman.. The last time I saw her was about a month ago and she was clearly in a lot of pain. I am so sorry for the family's loss, but am so happy that our Heavenly Father did not make her suffer for long. I also like to think that she is playing golf on a beautiful "heavenly" course right now. Again, you all have my deepest condolences.

“ Marge was more than a neighbor, she was a great friend. I loved spending time with her sharing gardening tips, helping each other with house projects and working on a puzzle. She really helped me with my roses. Watching her roses grow always put a smile on my face remembering her kindness.
