“ First time I met you Peg, I was scared to death of you.... Why?? I don't know but that fear quickly turned to love & admiration to a woman of courage & would do anything for the people she loved... I was honored to have had that kind of relationship with you... You are not only a friend but I considered you my mom... You helped me thru some very tough times after my mom passed away.. You took me under your wing & let nothing happen to me... I miss you very very much.... I now know what you meant when you said I will understand & give it time..... Miss you my friend, My Buddy, My Mom..... Forever in my heart you will be..
