“ Peggy and I worked together at Chef's for 21 yrs. She was always ready to lend a helping hand. I can remember Peggy and I packing soup early in the morning to empty out the freezer so we could have an on time start-up with production. She was also a great Safety Committee member always being involved with the employees and counseling them on being safe and addressing any concerns they had. She was always trying to improve safety throughout the plant. Peggy always spoke about how much her family mean't to her. Peggy, You will be missed!

“Peggy had a heart of gold who always spoke lovingly of her daughter Angel and her grand children. She loved telling stories of how good the children were and especially about the fun they would have at the Dogwood Festival. We worked together at Chef. She enjoyed the folks she worked with and cared about making Chef a better place to work. Peggy was a genuienly caring person who I am happy to have known and saddened that is gone. God bless her and her family.
