“ WE were very sorry to hear of the passing of your mother, Margaret. I hope her last days were comfortable. Your mother & father were so active in the community and will be sadly missed. As our two families become less we have happy memories of their young years together. Your mother is once again with your father, where she wants to be. I hope thinking about all the happy times together as a family will help ease the pain of your lost. Our prayers are with you Peggy & Pat and your families at this time. God Bless

“ Peggy and Patty, Your mother and father were much more than an aunt and uncle to me. We were so very close for so many years. They were like second parents to me and I am having great difficulty realizing that that part of my life is over forever. I am so honored to have had them in my life for over 60 years. I loved them so much and truly miss them. I take great solace in the fact that I know she is with Uncle Charles, Nana, Dad, PopPop and Bob. Love, Carole
