“ I regret that I was not able to attend Margie's funeral. I had health issues which prevented that. I worked with Marge for over 14 years at NCCCNS. I was fresh out of Nursing school and entering college to obtain my BSN. Marge was my mentor in many ways. She truly embodied what a professional nurse should be. Her compassion, soft spoken words and her knowledge were comfort to everyone she touched including a young nurse who was still wet behind the ears.. As I write this, tears are falling for the loss of someone who was truly an incredible person. You are so very lucky that you are part of her heritage. I do remember that when her arthritis got so bad that Ralph would help dress her but still she would be at work with the biggest grin and the kindest words that would make any patient/family feel the comfort and healing that they so much wanted to hear. She will live in many hearts forever. Such a legacy cannot be matched. My sincere condolences to all.

“ Ralph and Denise, And Connie I was stunned to learn of the passing of your Mother. Mrs. Moore watched over all of the Caroline Ave. kids while we were growing up, back in the day. Mrs. Moore was a highly respected person in the neighborhood. She was also the neighborhood nurse who we would run to in time of need. On many occasions, she helped my family. Ralph and Connie.....your Mom is in Heaven now. Love Dan

“ Dear Connie - I believe I may have met you at least one time, but I met your mom on a few occasions - she had been a friend of my mother-in-law, Nina Durham, and involved in a nursing group with her. And she was a friend of my mom, Betty Gombos, who thought your mom to be a VERY special lady. I wish you wonderful memories of your mom. Please accept my sympathy for her passing and pass the same on to your brother.
