“ I knew your family from way back and am Anita's friend. Marion was always very kind to me and all of you have fond memories in my heart even though the boys were really little. I know losing a mom can be hard but knowing she is with the Lord is the most wonderful thing you need to remember. She is at peace and you can be also knowing that. May you find the same peace in your lives finding Jesus as your Savior and Lord. God bless you all.

“ Dear all of you, How you will miss your mother and grandmom, and I will miss her too being an aunt to me. I visited often and just saw her last Sunday, a week ago, and I knew she would be leaving us soon, had a prayer with her and came home very upset. However, she is where she wanted to be and much happier now. Sorry I could not be there, we are away on vacation and I told her all about it and told her I would be back to see her when I returned. She was in a great place to be taken care of, you did a good job. Lots of love, Helen Raser

“ Bud and Marian Carnes lived in the house across the street from our Gilkyson family house in Mont Clare and were wonderful neighbors. I have warm, rich memories of both. My sympathies go to Gary, whom I remember from his boyhood.

“ Judy had a great disposition and was always fun to be with! She was the youngest and smartest in our family. Graduating third in her class. This is exactly where she wanted to be - she never wanted to be valdicatorian or salulatorian. I will miss her and love her very much. Eats

“ *My sympathies to the family of Marion Carns. I met Marion and husband Bud and family upon moving into her neighborhood many years ago.
