“*Marian was a woman of abiding faith who inspired others in their walk through her actions and examples. It took me quite a while to understand the real meaning of having the Lord in my life and allowing Him to lead, but the seed for all of that was planted by Marian from the time I first met her, more than 25 years ago, and, that seed was nurtured along the way during my 20+ years of marriage, so far, to her granddaughter. Thank you, Marian, for showing the way and being a blessing to our family. Rest in Peace.*
