“ *Frances, I remember when I used to come visit you when we were friends in school. Your Mother was always so pretty and kind. I just lost my Mother last July 2015. My heart goes out to you and your family.*

“ *Thank you all for your kind thoughts of Mom!!!!
Bonny, Mom loved her time at the camp. You all kept her "young."
Helen, you were her dear friend for all these years. I know she recently spoke to you because you were on her answering machine, and I gave her the list of friends to call back. She loved you dearly!!
Shirley, I can not say enough about how much your friendship meant to Mom. You were there for each other and that is true friendship!!
Wendy, I so remember our Mothers and their "teas" and flowerbeds. They were more than neighbors. They were good friends. Friend me on Facebook so we can catch up!
Linda, Mom and I drove by the old house in East Coventry very recently. Sadly, for the last time. She loved that house and the neighborhood so much.
Jan, you are so very kind. I sent you a message on facebook. Take care!
Thank you all!!!! Frances*

“ I was Marion's assistant cook at camp Innabah for a couple years and used to visit her often when I came home from college. We had great fun in the kitchen and all the camp staff loved her. She loved us so much too!

“ So sorry to hear that my dear friend past away and I am not home to visit her one more time. We stood for her and Bob at their wedding in Maryland and were in the same motorcycle club with them. We have been great friends all of these years, I surely miss her already, we talked on the phone every week or so. She has suffered so much, she is at rest now, God Bless Her!!

“ Sorry for your loss! Marian was a dear co-worker at French Creek Elementary. We had a great relationship and supported one another in our employment at the French Creek Elementary School. In those days, if there was a need to help out with something in the cafeteria, I was there. By the same token, should I need a hand in the office, she was there. Too bad, those types of relationships no longer exist. Remembering the good times. Thoughts and prayers are with you.

“ *Mrs. Stierly was both a neighbor and friend. She and my mother, Eva Orner, would periodically gather together over tea and some treat. They would also share plants from their amazing gardens! I appreciated her allowing us to swim in her pool and she would often drive me places since my mother didn't drive and my father worked far away. And I still to this day cannot see salt and pepper shakers without thinking of her enormous collection! My thoughts and prayers are with the family. She will be greatly missed.*
