“ *Bonnie, I will always remember the joy we shared when your Mom and Dad came for dinner. Even though she was ill, I was amazed how she persevered with her limitations and discomfort. May she know peace and contentment that God provides in heaven.*

“ *To the Family, We are always saddened by the passing of our dear loved one. The time we have with them is never enough. Please keep in your hearts and minds the wonderful joy and happiness they brought to your lives. Even though it is hard for us to imagine the void in our lives be assured of this period as resting time for them. Hope is given to us through the scriptures that this enemy called "Death" will soon be done away with. (1 Cor. 15:26) Not only will death be no more, neither will sickness, pain and sorrow be anymore. (Rev. 21:3-4) God has said "He is making all things new". My prayers are with you all. “ Bonnie and Family, One of the most profound losses that anyone can experience is the death of their mother and knowing what to say is never easy. I think that when God created mothers as the very special people that they are, that He had Marie in mind already. She was truly one of those blessed and good people who are full of so much grace and dignity.

“ Dear Bonnie, I've known your mom (and dad) since I was probably about 6 or 7 and although I hadn't seen them in quite a long time, I remember those childhood and teenage days with great affection. I know your sadness well, but as I have learned to do, take comfort from your memories and know that someday you will see one another again. xo Heather

“ I am so sorry for your loss. Marie was a wonderful person and will be missed. The following is an excerpt from a poem that helps me to get through everyday...maybe it will help you also. "You can shed tears that she is gone,, or smile because she lived. You can close your eyes and pray that she will come back, or you can open your eyes and see all that she has left. Your heart can be empty because you can't see her, or can be full of the love you shared..."-David Harkins
