“ To my dearest mother ...

" There is a bond between a daughter and a mother, it is so special, like no other.

There is a key between each heart and a love that nothing will ever part.

A oneness of spirit that no one can see, it is very special, between you and me"

Thank you for teaching me about humility, patience and understanding, but most importantly about love as you journeyed through life. I know how hard it was for you to be trapped inside, but seeing your beautiful smile each time gave me reassurance that you were okay. Thank you for sharing your love and giving me the memories that will last forever my beautiful soul, my beautiful mother! Rest in peace pretty girl... until we meet again! Love you always and forever!
